## Job

**Previous experience as a Grain Handler is not required** for this role, we are looking for people with a good attitude that are looking to secure stable permanent employment with a company that pursues excellence, fosters innovation, commits to safety and puts their customers first. Ideally you will have Tickets for Confined Spaces or WAH, however if you don't have these the company is more than happy to organise the training for you. As a Grain Handler your duties could include, loading and unloading trucks, operate the weighbridge, outturn seed, operate portable equipment, monitoring and storing grain, maintaining hygiene on site.

### **About you**

- Self-Motivated, Great Attitude and Reliable
- Comfortable Working at Heights and Confined Spaces
- Current Driver's Licence
- Forklift, Confined Spaces & WAH (preferred but not essential)
- Working as Grain Handler is a physically demanding role
- Ability to provide good customer service and treat customers with respect

### **What we offer**

- Permanent Opportunity!
- 38 Hours Per Week
- Monday - Friday
- Opportunity to work with a company that pursues excellence, fosters innovation, commits to safety and puts their customers first

### **Feel free to contact**
