

Clerk of Works (Civil Supervisor)

Brunel have recently partnered with one of Australia's leading EPCM delivery Service Partners to successfully recruit and place a suitably qualified Clerk of Works (Civil Supervisor) to support our Clients effective and professional Site based team on a 14/7 roster until the End of October 2021, flying out of Perth, Western Australia.

The Project requires a site team to be established to deliver the project primarily consisting of bulk earthworks and plant construction contracts. Due to the dominant nature of earthworks scope, a civil clerk of works is required.
